Help more children get outdoors in 2018!

OCHC's Kids-in-Need-of-Nature Program provides Life Changing Experiences for underserved and at-risk youth.

Quotes from children and the children's organizations we serve:

"When can we come back and see the frogs?" Miguel (age 10)

"I want to do this every day!" Lola (age 8)

"I would like to thank you for your collaboration with us in the past few years. Month after month, the OC Hiking Club has organized and spearheaded amazing hiking experiences for both our youth and coaches alike allowing us to venture and explore the natural outdoor setting that we would never have experienced otherwise." ~ M.C.
